Dear Maria:

On behalf of the Palo Alto Centennial 1994, I would like to let you know what a fabulous job you and your group did for the birthday celebration last Saturday. It was an incredible afternoon. You certainly helped to give Palo Alto's first century a rousing sendoff.

Please convey my congratulations to all the members of Raices de Mexico. It was a lot of work and I hope they all had as much fun performing for a very happy and appreciative Palo Alto community as we did helping to organize the event. It was a wonderful success.

Thank you very much.

Sincerely,

Dear Ms. Varela,

Everyone at the House thoroughly enjoyed the Cinco de Mayo dance presentation. We appreciate your including us at the end of your long day.

Several of the mothers told staff members afterwards how they remembered doing the same dances as children and what good memories seeing your group brought back to them.

Please extend our thanks and appreciation to all who made the day special for us.

Sincerely,

Paul K. Lamson

Dear Javier:

Thank you for being part of Cultural Kaleidoscope! Your participation was the key to our success. Cultural Kaleidoscope's mission was to present a collaborative celebration to honor artistic and cultural diversity through the performing and visual arts. The performance added to the "Kaleidoscope," mirroring a rich cultural mix. We hope that next year you will again be a part of this event.

As you know, our vision was to raise \$8,000 to be used toward the development of a cultural center for East Palo Alto. We do not yet have the final figures but we are hopeful that we have reached our goal.

Thank you for helping us realize a very successful Cultural Kaleidoscope.

Sincerely,
