Mr. Lou Gloyne, Vice President
Director of Operations
Northern Food Division
LUCKY
1701 Marina Blvd, P.O. Box 5008
San Leandro, CA 94577

Dear Mr. Gloyne:

Our thanks for your kindness and the generous donation of three gift certificates from LUCKY STORES to our annual bazaar held on December 6, 1987. We've just discovered that our thank-you letter, instead of being mailed out, was inadvertently filed. We apologize for any problem the delay in thanking you may have caused.

Ours is a community of people from many diverse ethnic backgrounds. The bazaar provides an opportunity for community people to fellowship together in a congenial environment; this strengthens, we believe, the bonds of friendship among the residents of our City.

Because we have many things for sale, beautiful and useful articles as well as delicious foods, we endeavor to price items at a level when children, families, and people of very limited income can participate with dignity.

Your company's generosity makes all this possible; again, our thanks.

Sincerely,

(Mrs.) Ruth Myers
President

Re: Annual Christmas Bazaar

Dear Ms. Dorn:

PG&E has carefully reviewed your request to contribute to this year's Annual Bazaar.

Last year's Bazaar was a clear success, and we hope that you will accept the enclosed check with our sincere best wishes. The service you provide for the community is indeed needed and of value to so many people in East Palo Alto. On behalf of Tom Evans, our Division Manager and all of PG&E, may I be the first to wish you a Merry Christmas and a Happy New Year.

Sincerely,

Frank D. Eich
Area Manager

Dear Mr. Lane:

I am sending this very belated letter conveying the thanks of my organization to you for your generous response to our Christmas Bazaar request. We've just discovered that our thank-you letters, instead of being mailed out, were inadvertently filed. We apologize for any problem the delay in thanking you may have caused.

As has been the case since its inception, the bazaar was a tremendous success; to see the children's eyes as they examined the displays at the brightly decorated Christmas tables and subsequently made their purchases of the very, very reasonably priced offerings made it all worthwhile for us. Additionally, seniors on very limited incomes were able to buy gifts and yet were not made to feel as if someone was giving them hand-outs.

The generosity of the Lane Publishing Company in donating those beautiful books and that of other friends such as yourself makes this possible. Again, our thanks.

Sincerely,

(Mrs.) Ruth Myers
President
