

KNOW THE FACTS

LAFCo has proposed the INCORPORATION of East Palo Alto with the EXCEPTION of our area.

Your immediate community has been placed in the influence of Menlo Park.

However, Menlo Park City Council through a resolution has said that it supports the INCORPORATION of ALL of East Palo Alto.

In individual letters to LAFCo three Menlo Park City Council members have said clearly that they will not entertain the idea of annexing ANY part of East Palo Alto.

You will not have a chance to be a part of any city.
