Three young boys wearing white t-shirts and Santa hats are sitting on a bench on the left side of the library.

A group of children is standing in the center of the library. One girl in a floral dress is holding a yellow paper. Next to her is a girl in a white shirt and jeans, and a boy in a red shirt and light blue pants is also holding a yellow paper. They appear to be participating in a reading or presentation activity.

An adult woman in a red and black plaid shirt is standing on the right side of the library, holding a white paper and looking towards the children.
