Municipal Council

**VOTE FOR
A CHANGE**
November 2, 1982

Ruben's Professional and Community Commitment:

- 1) Masters in Education from Stanford University
- 2) Educational Researcher, RMC Research Center, Mountain View
- 3) Vice-Chair of Drew Medical-Dental Center, Board of Directors
- 4) Chair of West of Bayshore Renter's and Homeowner's Association
- 5) Member of the East Palo Alto Citizens Committee on Incorporation (EPACCI)
- 6) Community Representative on the Superintendent Selection Committee, Ravenswood City School District (RCSD)
- 7) Co-organizer of the East Palo Alto Tenants Union

We must use the power and responsibility vested in the municipal council to respond to the needs of the people of East Palo Alto. In order to effectively advise the Board of Supervisors, the Council itself needs to actively seek the advice of all residents, particularly on issues of critical importance affecting our community. I will work to make the council more accountable and responsive to the people of East Palo Alto.

**Sincerely,
Ruben Abrica**

Ruben Abrica is Clear on the Key Issues:

Municipal Council—The Municipal Council must act as the catalyst to ensure positive changes in the delivery of needed services.

Dumbarton Distribution Center—We must not allow unchecked development such as the Dumbarton Distribution Center or Fibercycle to occur on or bordering East Palo Alto.

Incorporation—Self government through incorporation is a must for East Palo Alto.

Crime Prevention—The streets and parks of our community must be made safe for all our residents.

Ravenswood High School Site—As much as possible of the Ravenswood High School site must be preserved for community use.

Tenants—Renters and residents on fixed incomes must have clean, safe, and affordable housing.
