RE: MEXICAN EARTHQUAKE FUND RAISER

Dear Ms. Chu:

Raices de Mexico, a non-profit tax exempt organization in East Palo Alto, California, gladly turns over to you checks totaling \$931.06 which were raised at a cultural presentation sponsored by various groups on October 26, 1985 at Stanford's Casa Zapata Hall.

We request that these funds be directed toward helping the orphans of the September 19, 1985 earthquake in Mexico City.

At this time we would like to again thank you for participating with a slide show at this benefit.

We would greatly appreciate receiving from you a letter of acknowledgement of funds and, if possible, a letter of recommendation for our efforts.

Sincerely,

Matias Varela  
President

Dear Mr. Varela:

Thank you so much for Raices De Mexico and Stanford University student groups' contribution of \$931.06 to the American Red Cross Mexico City Earthquake relief. The evening at Stanford's Casa Zapata Hall was certainly a success!

The contributions from all the concerned individuals at the fundraiser will go a long way in helping people in Mexico, whose homes and personal possessions were destroyed by the devastating earthquake.

Please extend our warmest thanks to all the various groups involved in the fundraiser and assured them that the funds will be used to provide clothing, food, blankets and medical assistance to survivors of the tragic earthquake.

Again, thank you so very much for helping Red Cross help others. We couldn't have done it without your support.

Sincerely,

Winnie Chu
