Estimado Todd y todos los otros miembros de Raices de México,

Por favor acepten nuestra gratitud por su demostración tan excelente de los bailes tradicionales Mexicanos durante nuestra cena del Festival el sabado 14 de marzo. Cuando personas adultas como Uds. ayudan a la juventud, ellos tienen una mejor oportunidad de ser ciudadanos productivos de nuestro pais.

Gracias nuevamente por su ayuda,

Dear Todd and the other members of Raices de Mexico,

Please accept our gratitude for your wonderful demonstration of traditional Mexican dancing at our dinner Festival on March 14. The efforts of adults, such as you, helped make the evening fund raiser a success. The proceeds from the event will help send out 8th graders to their nation's capital in June.

Again, thank you for your help.
