Dear Mary and Matias,

Thank you for considering our school site as a possibility for establishing an after school hours program which would teach children Mexican Folk Dances. Our school children have, especially in the past year, expressed much interest in learning Mexican Folk Dancing and have performed these during our Spring Festival held in May. How much greater the enjoyment of these children were they doing so under your direction!

We hope that we will be able to work with you in the near future to determine the details of this program in order to have one of your teachers on staff in the fall.

Very sincerely yours,

Melanie Maione
Principal
