## "FIESTA PRIMAVERA"

*a celebration of Cinco de Mayo*

Saturday, May 2, 1992  
Belmont, California

## CINCO de MAYO

In 1861, while the American Civil War raged to the north, Mexico was visited by a contingent of European (French, Spanish, and British) military forces seeking financial settlement of Mexico's \$800 million foreign debt. Though the French were not acutally driven from Mexican soll until 1867, Cinco de Mayo, May 5, 1862, saw the defeat of the French Imperial forces at Puebla, near Mexico City. Against overwhelming odds, the Mexican Army of the newly independent Mexlcan Republic led by General Zaregoza, rallied with the support of Native Indlans. This Mexlcan victory has come to symbolize the natlon's ultimately successful resistance to the French Intervention.

Each year on the 5th of May, Mexlcan-Americans celebrate this great national holiday, marking the battle when a ragged little Mexlcan army defeated the superior forces of Napoleon III and drove a forelgn power from the continent. The holiday is meaningful for all Americans because, since then, no forelgn natlon has dared to invade these shores.

### COMMITTEES:

CO-CHAIRS: Jan Murray and Angela Norton

RESERVATIONS: Jan Brewer

DECORATIONS: Marilyn Lamont and Gloria Fleming

FOOD: Chela Stoklosa

DRINKS: Joan Tosetti

RAFFLE: Christine Fabie and Shirley Sweeney
