The East Palo Alto Citizens Committee on Incorporation (EPACCI) is a grass-roots organization formed in January 1980. During the past three years, EPACCI has spearheaded a movement to incorporate the community of East Palo Alto. EPACCI has an active core membership of thirty-five workers, a supporting membership of more than one hundred persons, and a contributing membership of more than five hundred person.

Incorporation is the single most important issue confronting the East Palo Alto community. We are hopeful that the Vanguard Public Foundation will continue to support this historic social movement by awarding a new grant. We are ever confident that incorporation is an idea whose time has come.
