

OUR CAMPAIGN PROMISES ARE OUR COMMITMENTS

We will work diligently to:

- o Continue the public's access to City Officials
- o Continue financial accountability and integrity
- o Improve the Business Environment and Encourage Small Business Development and Investments
- o Increase Protection for Homeowners and Renters and substantially reduce the number of burglaries
- o Increase support services for single parent families
- o Expand employment opportunities for community residents
- o Mount an effort to get the community involved in the fight to eliminate drug use and abuse among our youth
- o Maintain affordable rents while allowing landlords a fair return on investments
- o Establish Neighborhood Beautification Programs to improve East Palo Alto's overall appearance
