The girls of today are
the leaders of tomorrow

Girl Power!

The future belongs to those who believe in the beauty of their dreams.

Eleanor Roosevelt

The Girls Club of the Mid-Peninsula was founded in 1969 as the result of a grassroots community effort to provide every girl in East Palo Alto and East Menlo Park between the ages of 6 and 13 with an after-school and summer program specifically tailored to their needs.

Communal learning is the focus of our program. The emphasis is on creativity and fun. Highlights include digital art in our computer lab, music, dance, creative writing, cooking, sewing and arts and crafts. A healthy snack is provided daily.

Outside play provides a healthy intermission from learning new skills and is a great time to make new friends

In addition, during our all-day summer program, there are weekly swimming lessons and field trips to places like the Tech Museum, the Exploratorium, NASA/Ames, and other local attractions.

Fees are low and are based on a sliding scale to ensure that every girl has the opportunity to join. Scholarships are also available.

New skills for a new millennium...these girls will be ready!

TODAY'S GIRLS—
TOMORROW'S LEADERS

If we have 11 million girls today who are competent, confident, and drug free, then we will have 11 million strong, healthy women tomorrow to lead the next generation.

OUR SUCCESS DEPENDS
ON YOUR GENEROSITY

Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has.
