01 November 1997

Raíces de México is a non-profit cultural educational school dedicated to promote and preserve Mexican folklore dance. Based in East Palo Alto since 1980, Raíces de México is the only dance school of its kind, that features the only childrens' Mexican regional dance ensemble, in San Mateo County.

Raíces de México is not City, nor County funded, it relies mostly on performance fees, student tuitions and community contributions which are highly encouraged and greatly appreciated. All and any donations made to Raíces de México are tax deductible. New students are always welcomed, classes are offered at the Cubberley Community Center. There is no age limit or previous dance experience required. Please call (415) 322-1501 for class times. We welcome and encourage you to join our Board of Directors to help build a stronger grassroots cultural organization.
