Dear Maria,

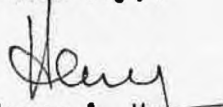

Thank you for your participation in the 1990 Talent Competition. Your support of the competition is invaluable. We felt that this year showed improvement, but there is always room for us to do better. We would like to have you help us do better by your accepting our invitation to a meeting in the San Mateo County Fair Administrative Office Board Room on June 6, 1990, at 10 a.m.

We would like for you to bring your ideas and information to share with us so that the Talent Competition in 1991 will be better for both you and your talent. We are preparing now for the 1991 competition which will be held here at the Fair Grounds on April 27, 1991. We will incorporate your suggestions into our planning.

Please let us know if you will attend by calling in a message to the switchboard or leaving a message with me or John Gregory.

We look forward to seeing you on June 6.

Sincerely,

Henry A. Use

Dear Matias,

Thank you so much for participating in the Arts Council's "Families" festival again this year. Everyone there had a good time. I heard lots of positive comments about the wonderful performers. An event like this takes a lot of people working together to be successful. Your efforts are very much appreciated. Raices de Mexico is always a big hit -- your young dancers seem to have a lot of fun and that radiates to the audience. Thanks again!

Sincerely,

Angela Kirkner
