Dear Matias:

Thank you very much for accepting to participate at the City's Grand Opening of the Civic Center recreational facility. We in the City are the more appreciative because we gave you such a short notice.

I always find your performance so enthralling. I am of course looking forward to collaborating with you and Raices in future events. I am also looking forward to the day when the group will be able to have its rehearsal at our new dance studio.

Once again, thank you very much for accepting to participate at this event.

Sincerely,
